

Writing Task

Stage:

Name:

Class:

Year:

Date:

You will have **45 minutes** for your writing task and up to **15 minutes** planning time.
You may start writing as soon as you have finished planning.

The Egg Cracked

At first it seemed just like an ordinary egg, a little bigger perhaps, but nothing to suggest what was inside. But then it started moving, twitching and the shell began to crack

Your task is to write a **story** about an unusual egg using this idea or one of your own.

You may want to think about:

- Where had the egg come from?
- Who had it and why?
- What was in the egg?
- What happened?

Also think about:

- How will the story start?
- Where will the story be set?
- Who will be the main characters?
- What is the problem?
- How will it be solved?
